Job Title: Director of Cardiopulmonary Services and Hospital Safety

Office you are running for: Delegate

AARC #: 2979673 Active years as an AARC Member: 39 yrs.

If elected, what would you do to improve the ASRC? I see the position of delegate as one to provide a communication conduit between our parent professional organization, the American Association for Respiratory Care (AARC), and our state chartered affiliate, the Alabama Society for Respiratory Care (ASRC). The AARC makes decisions that affect the future of our profession and we should have input into those decisions. I will share any pending resolutions with the ASRC BOD for input prior to House of Delegate meetings and vote according to the ASRC BOD's direction. Likewise, I will share the AARC information, directions, and "best practice" information that should be beneficial to the operation and future success of the ASRC BOD.

What is your past experience serving the ASRC? What other boards you have served on and in what capacity? I have previously served in elected positions as the ASRC Delegate, President, Treasurer, and District Representative. I have served in appointed positions for the ASRC on numerous committees and positions including Public Relations, Legislative, Audit, Education, Tri-State Representative, and AARC PACT. On the AARC level, I have served as a member and then as chairperson on the House of Delegates Nomination and Election Committee. I am a previous chairperson and current member of the Alabama State Board for Respiratory Therapy. In addition, I have served on various local community committees and volunteer organizations.
